The 5 Bedroom Apartment

Why should I choose this room?

This apartment is great for social butterflies who always like to be around other people. Sharing an apartment with 4 other students means you will have the opportunity to meet a whole group of new people (or live with a group of old friends) and there will always be someone around to hang out with.

In the 5 Bedroom Apartment at The Boulevard you will be sharing a modern kitchen, spacious living area and bathrooms with your fellow flat mates, however, you will also always have privacy and space to yourself. Each student will have their own bedroom with study area, which is essential for being able to focus on your studies.

Not what you're looking for?

If you would prefer to share an apartment with less people, but you are still looking for a low-cost option, check out our [Twin Studio](#) room. Sharing the space with only one other student, but splitting the costs of a modern studio, makes this a great economical option.

Alternatively, if you would prefer the space all to yourself, head over to our [Studio](#) room editorial. The Studio provides students with ultimate privacy and a quiet space, which is great if you are in your final year or in a post graduate course.
