The 5 Bedroom Ensuite Apartment

Why should I choose this room?

This room gives you the best of both worlds. The apartment is filled with communal spaces – including a modern kitchen, living/TV area and dining area – but the key advantage of this apartment is that each student gets their own individual bathroom. So you won't have to share a toilet or even a shower with anyone else.

If you're new to Perth, or even Australia, then living in a communal apartment like the 5 Bedroom Ensuite is a great way to meet other students straight away. Living at The Boulevard, there will also be a strong residential community built on our wellbeing program and social events, so there will always be ways for you to meet people

throughout the building.

Not what you're looking for?

If you would prefer to share an apartment with less people, but you are still looking for a low-cost option, check out our [Twin Studio](#) room. Sharing the space with only one other student, but splitting the costs of a modern studio, makes this a great economical option.

Alternatively, if you don't think you need that extra bathroom space for yourself, take a look at the [5 Bedroom Apartment](#). This option still offers you an individual room and communal living, but you will be sharing bathrooms with your flat mates.
