# The DDA Studio

## Why should I choose this room?

The DDA studios have been designed specifically to be the best option for students with disabilities. If you require spacious surroundings, our DDA studio will ensure you have comfortable and accessible student accommodation. The studios are 27 sq.m. in size, meaning they are very spacious and allow for easy mobility

through the dining, living and bathroom spaces.

Living in your own individual room at The Boulevard, you will still have plenty of opportunities to meet other students in the building. The property features an abundance of communal spaces and all of our residences have a unique program designed

to integrate and support students.

## Not what you're looking for?

If you're feeling like this much space isn't necessary for you, we have more studios available. Check out our [Studios](#), which are 18 sq.m. in size. These rooms offer the same facilities and style of room in a slightly smaller space.

Alternatively, if you would prefer to live in a communal apartment we also have [5 Bedroom](#), [6 Bedroom](#) and [Twin Studio](#) rooms available.
