The Twin Studio

Why should I choose this room?

If you are looking for value for money, this is a great option for you. Our Twin Studios have been designed to provide you and one other person with everything you need within a modern, studio setting, making it one of our most affordable options.

The Twin Studio provides privacy with two separate bedrooms, however, when the floor-to-ceiling sliding walls are opened the rooms are converted into a large fully furnished living area to hang out in. Therefore, this option is great for pairs of friends who know they want to move in together.

Not what you're looking for?

Think you want space to yourself? Read about our [Studio Apartment](#) – which provides you with your own bedroom, bathroom, kitchen and living area – perfect if you need to focus on your studies or like your privacy.
