The 2 Bedroom Apartment

Why should I choose this room?

If you crave space to stretch your legs, this is a great option for you! Sharing a space with only one other person means you will enjoy spacious surroundings and a quieter environment. If you like natural lighting, you can also choose to live in a 2 Bed Apartment with Terrace,

which features an outdoor area spanning across both bedrooms and the living area, making your already spacious apartment light and airy!

Not what you're looking for?

If you're looking for a lower cost option, you can choose to live with more roommates and split the costs in our [3 Bedroom](#) or [4 Bedroom](#) Apartments. These options are great for socialising, but you will always still have your

own space for some quiet time.

Or if you like the idea of having a sunny terrace, but would like to live with more people, we also have [3 Bed Duplex with Terrace](#)

rooms. This option gives you lots of space in a two-story apartment with lots of natural light.
