

The 3 Bedroom Apartment

All of our rooms at University Square have been designed specifically to provide you with your best student experience. Located in Carlton, just a couple tram stops from the heart of Melbourne, you're never far from your classes or anything else you need.

We understand that no student is the same, so we

have made sure to provide living options to accommodate for all types of students. In order to help you get to know our rooms better, we've created a Room Editorial for each of our options.

The 3 Bedroom Apartment

Why should I choose this room?

Like our 4 Bed Apartments, this room is made for socialising. Sharing your kitchen, living and dining areas with others is a great way to get to know new people or experience moving out of home with old friends. The benefit of the 3 Bed Apartment is

that you are sharing two modern bathrooms and your communal areas between only three people, so you get a bit more space to yourself with this option.

Not what you're looking for?

If three sounds like a crowd to you, give our [Studio](#), [Premium Studio](#) or [1 Bed Apartment](#) options a look. These rooms are made for one person and give you all the privacy and quiet time you could need.

Alternatively, if you are looking for a fuller house at a lower cost, our [6 Bedroom Apartments](#) are a great choice. You'd be living with 5 fellow students, so there will always be someone around.
