The 4 Bedroom Apartment

Why should I choose this room?

This option is ideal for socialising! All four rooms have doors leading to the communal living room and dining area, so you'll always be chatting, cooking or studying with your roommates. So, whether you are new to university, new to Melbourne or even

new in Australia, you will be guaranteed to meet a new mate in your apartment.

Don't forget that each room also has its own study desk and storage area if you need time and space to yourself.

Not what you're looking for?

If you like the idea of living with others but feel like you need a little more space consider our [2 Bed Apartment](#) or [3 Bed Duplex with Terrace](#) options for slightly roomier alternatives with a smaller group of people.

On the other hand, if you are looking for a lower cost alternative, our [6 Bed Apartments](#) are just as social and are great value for money. Living with 5 other students, you would share 2 modern bathrooms, a living

area, kitchen and dining area. Like all of our room options, you would also still have your own room and study desk.
