

The 6 Bedroom Apartment

All of our rooms at University Square have been designed specifically to provide you with your best student experience. Located in Carlton, just a couple tram stops from the heart of Melbourne, you're never far from your classes or anything else you need.

We understand that no student is the same, so we

have made sure to provide living options to accommodate for all types of students. In order to help you get to know our rooms better, we've created a Room Editorial for each of our options.

About the Room

We at the Student Housing Company believe the more students, the merrier the

student experience! If you love having people around as much as we do, check out our 6 Bed Apartment – a great value-for-money room designed to provide students with a social environment.

The 6 Bedroom Apartment

Why should I choose this room?

If you are looking for value of money, this room is for you! With all-inclusive prices starting from \$289 a week this is our most economical option, which still provides you with the privacy of your own space and all of the facilities available at University Square.

This apartment is also great for social butterflies who always like to be around other people. Sharing an apartment with 5 other students means you will have the opportunity to meet a whole group of new people (or live with a group of old friends) and there will always be someone around to

hang out with.

If you are looking for a little extra space and natural light, we also have a couple 6 Bed Apartments with terraces – perfect for chilling outside during those Aussie summer months!

Not what you're looking for?

If sharing a space with 5 other students sounds like a bit much to you, but you are still looking for a low-cost option, check out our [Studio](#) room. This room gives space and comfort to yourself, all offered at an affordable cost.

Our [3 Bedroom Duplex with Terrace](#) would be a good option if you want a social living environment but think 6 people might just be a few too many for you. All of these apartments provide students with individual rooms and

study spaces, but your ideal number of roommates is up to you.
