

The Twin Studio

All of our rooms at University Square have been designed specifically to provide you with your best student experience. Located in Carlton, just a couple tram stops from the heart of Melbourne, you're never far from your classes or anything else you need.

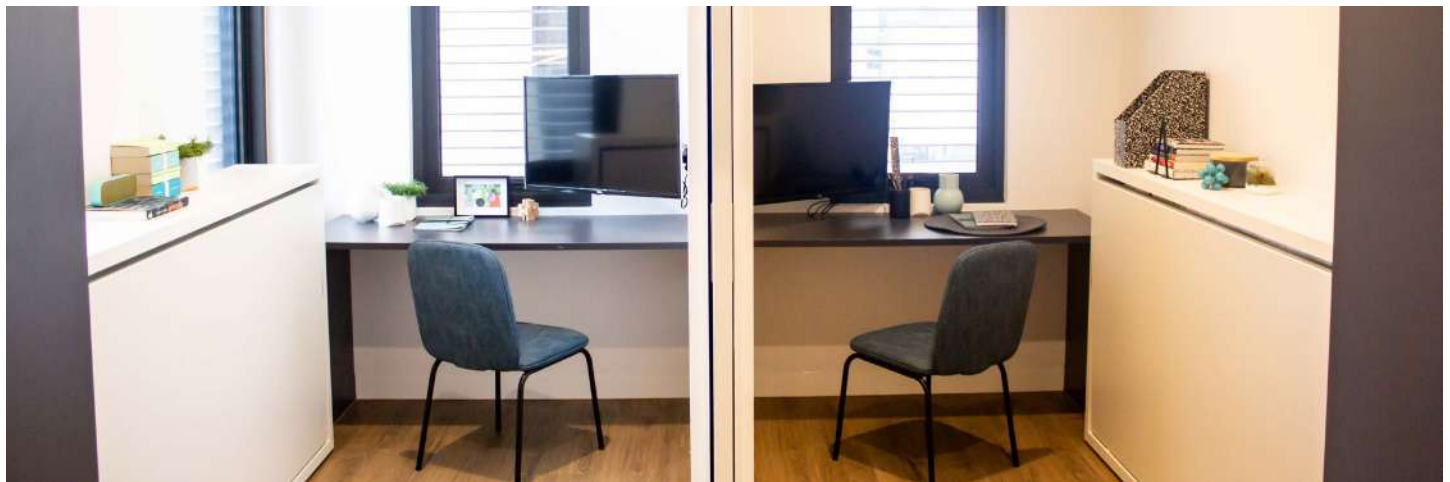

We understand that no student is the same, so we

have made sure to provide living options to accommodate for all types of students. In order to help you get to know our rooms better, we've created a Room Editorial for each of our options.

About the Room

Our Twin Studio is designed with all the features of our single studios. What makes

it special is that it is a studio designed to be shared between two students – making it a super affordable option.

Why should I choose this room?

If a cosy studio sounds appealing to you but is a little out of your price range, a Twin Studio is a great alternative. This room is perfect for moving in with your best mate at an affordable price. You can enjoy the privacy of having your own room and study area, or open up the

innovative, full height sliding walls to convert your living area into an even bigger hang out space.

This room is also ideal for people looking to pay a similar price as the 6 Bed Apartment, but would prefer to live in a quieter environment with a

couple less people.

Not what you're looking for?

If you think having a space all to yourself is more your style, take a look at our studio options which give you your ultimate privacy and time to focus on your studies. We have a [Studio](#), [Premium Studio](#) and [1 Bed Apartment](#)

available to students looking for one person options. Alternatively, for a similar price, our [6 Bedroom](#) or [4 Bedroom Apartments](#) may also take your fancy and are great environments to meet new people. These

apartments provide students with a social atmosphere and plenty of communal space.
