Why should I choose this room?

This room is undeniably one of our most popular options, because you get the best of both worlds. Having your own bathroom, means having more space to yourself, which you can keep the way you like it. Plus, you'll never have to wait to use the bathroom in the morning, which makes getting ready for university nice and easy!

This room is also great because you are living with two other people, however it is a smaller group of students than our 6 Bed Townhouse, meaning your home environment is a little quieter.

Not what you're looking for?

You may not need your own private bathroom and if so, take a look at our [3 Bed Apartment](#). Still living with two other people, you will have your own room, however you will share two modern bathrooms.

If you'd prefer the whole place to yourself, we have a handful of individual room options too! Our [Premium Studio](#), [Studio with Terrace](#), [Executive Studio](#) and [1 Bed Apartment](#) provide you with an entire apartment to yourself – perfect for those who prefer some peace and quiet.
