All You Need to Know

Our Story

Set up in the UK in 2011 to develop purpose-built, high quality student accommodation, The Student Housing Company (TSHC) has brought a new energy and level of service to the student accommodation sector. The brand is currently home to over 4,000 students in nine UK cities.

In September 2016, TSHC became part of the GSA family. GSA is a global student

accommodation leader, headquartered in Dubai. GSA is an owner of student accommodation in Australia, China, Dubai, Germany, Ireland, Spain, Japan and the UK.

We are very excited to open our first student accommodation property in Perth located at 89 Stirling Street, Perth.

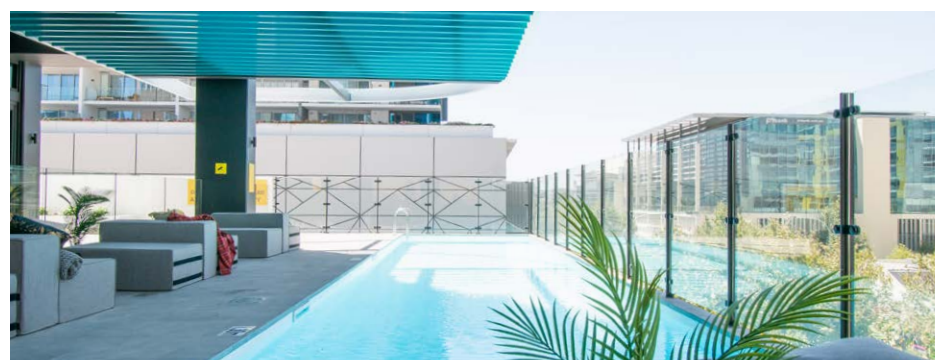

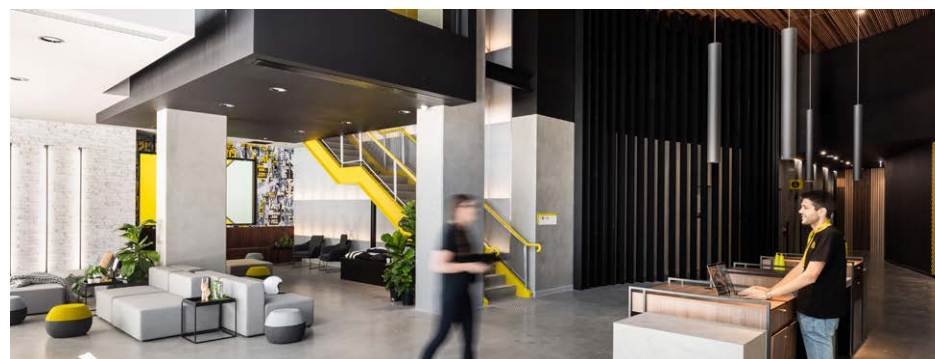

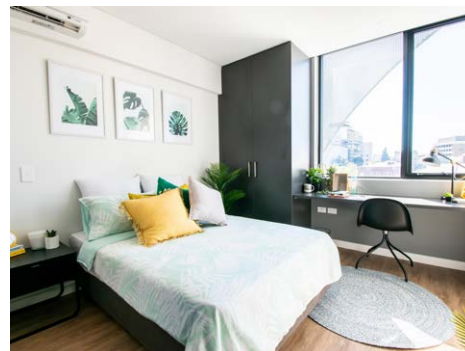

About Us

We want to change the way accommodation is provided for students, raising people's expectations about service, quality and communication. Our prime locations, all-inclusive rents, exceptional customer service and great community spaces sets us apart from other student accommodation providers. Parents and students can expect complete peace of mind with this unique approach to student accommodation.

We strive to make our students feel safe, comfortable and looked after. People are at the core of our business and a huge amount of effort goes into wellbeing,

ensuring students feel at home and comfortable speaking with staff. In 2016, TSHC delivered an award-winning student wellbeing programme – raising mental health awareness and driving a strong sense of community.

We want students to find renting a room from us incredibly easy, so we try to make everything we do as clear and upfront as possible. From our plain-speaking name to the refreshingly simple job titles on our team's badges, we want students who rent from us to understand what they're getting and who they're talking to at all times.
